Donations will be taken on the day for ‘Operation Noah’ which is a Christian charity working to inspire action on climate change.

## You are part of an Eco Church – celebrating Bronze!

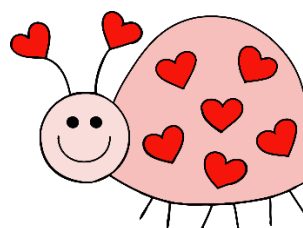

We have some great news to share with you – we have just been awarded our Bronze Eco Church Award. This award is to mark the improvements we have made in our buildings, our land, our worship, our lifestyle and our community to become more environmentally friendly.

This is the result of a lot of hard work from our newly appointed Green Group. If you are passionate about green issues and would like to join this group as a Messy Church representative – we would be more than delighted. Speak with Kat or Kerry if you are interested!
